Sugi Holdings Announces Corrections to Past Years' Securities Filings, Earnings Reports, and Other Disclosures

Sugi Holdings Co., Ltd., announces that its Board of Directors met today and resolved to restate certain financial results appearing in its annual securities filings and full-year earnings reports for the five fiscal years ended end-February 2004 through 2008; in its interim securities filings, interim earnings reports, summaries of fiscal-first-quarter results, and summaries of fiscal-third-quarter results for the three fiscal years ended end-February 2006 through 2008; and in its summary of fiscal-first-quarter results and interim earnings report for the fiscal year ending February 28, 2009. Details appear below.

1. Reason for corrections

After discovering embezzlement by a former director, Sugi Pharmacy issued two related press releases. The first, dated July 16, 2008, was titled "Sugi Pharmacy has Discovered Embezzlement by a Former Director," and the second, dated October 8, 2008, was titled "Sugi Holdings Provides an Update on the Embezzlement by a Former Director."

In its earnings report for the first six months of the fiscal year ending February 28, 2009, Sugi Holdings recognized an extraordinary loss on the adjustment of past year's earnings associated with the embezzlement by the former director. However, in consideration of its audit firm's opinion and the outcome of internal discussions, Sugi Holdings concluded that it should restate financial results for past accounting periods to accurately reflect when the losses were incurred.

In accord with the above, Sugi Holdings' Board of Directors met today and resolved to restate cash and deposits, receivables, and allowances for doubtful accounts for the respective periods. Specifically, it will restate financial results that appeared in its annual securities filings and full-year earnings reports for the five fiscal years ended end-February 2004 through 2008; in its interim securities filings, interim earnings reports, summaries of fiscal-first-quarter results, and summaries of fiscal-third-quarter results for the three fiscal years ended end-February 2006 through 2008; and in its summary of fiscal-first-quarter results and interim earnings report for the fiscal year ending February 28, 2009.

Sugi Holdings also restated its valuation losses on shares in subsidiaries in its earnings report for the first six months of the fiscal year ending February 28, 2009.

4. Future action

Sugi Holdings is currently preparing the relevant restated annual securities filings, interim securities filings, full-year earnings reports, interim earnings reports, summaries of fiscal-first-quarter results, and summaries of fiscal-third-quarter results, and will submit these filings and reports shortly.

Sugi Holdings expects to submit its interim securities filing for the fiscal year ending February 28, 2009, on November 28, 2008.

Pursuant to the Companies Act (commercial law), Sugi Holdings will not restate consolidated financial statements and other financial statements for each fiscal year. Instead, it will record a one-time adjustment for the fiscal year ending February 28, 2009.

Partly due to the impact described in a press release dated November 20, 2008, titled “Sugi Holdings’ Subsidiaries to Acquire Business Units,” Sugi Holdings is currently reexamining its full-year earnings forecast for the fiscal year ending February 28, 2009. Any changes to the previously announced full-year forecast will be announced immediately they are made.

Sugi Holdings deeply regrets the misconduct of its former director and is committed to conducting business in a manner that will restore the trust of customers, investors and stakeholders. Sugi Holdings will bolster compliance efforts and institute preventive measures to ensure that no such incidents happen in future.

We look forward to your continued support and guidance.

*1 Sugi Pharmacy acquired shares in Japan Inc. in December 2005, making it a consolidated subsidiary. Sugi Pharmacy therefore began preparing consolidated financial statements from the fiscal year ended February 28, 2006. Because the deemed stock acquisition date was February 28, 2006, Sugi Pharmacy prepared consolidated balance sheets only and did not prepare consolidated statements of income for the fiscal year ended February 28, 2006.

*2 Restated interim figures for the fiscal year ending February 28, 2009, are figures from the interim earnings report for the fiscal year ending February 28, 2009, that have been restated in accord with restatements of past years' annual securities filings, interim securities filings, and other disclosures.
